BUG-07	Top supplier rank starts from #0	Dashboard	Minor	Low	Open

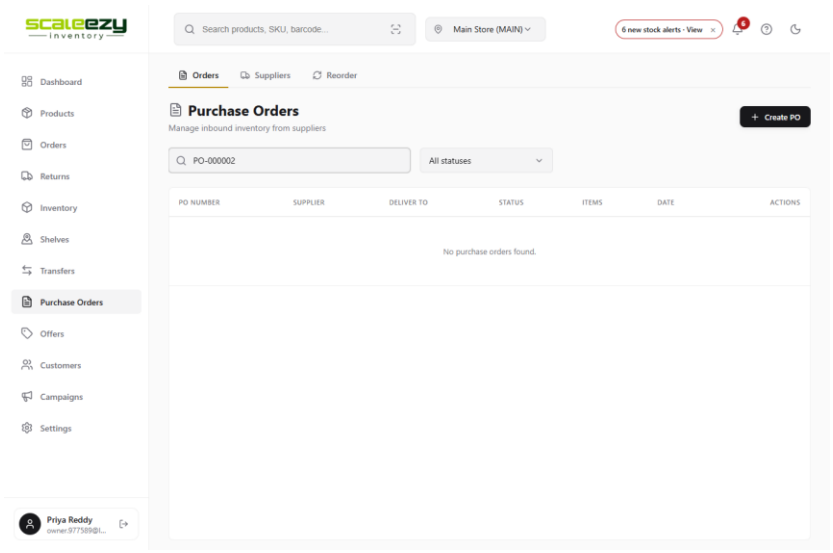

BUG-01 - PO search fails for capital letters

Module	Purchase Orders
Severity	Minor
Priority	Medium
Status	Open
Steps	1. Go to Purchase Orders. 2. Type PO-000002 in the search box.
Expected Result	PO-000002 is shown in the list.
Actual Result	"No purchase orders found." Search works only in small letters (po-000002).
File / Line	src/pages/PurchaseOrders.jsx : 115
Root Cause	Search text is not converted to lower case: (po.poNumber || '').toLowerCase().includes(searchTerm)

Expected:

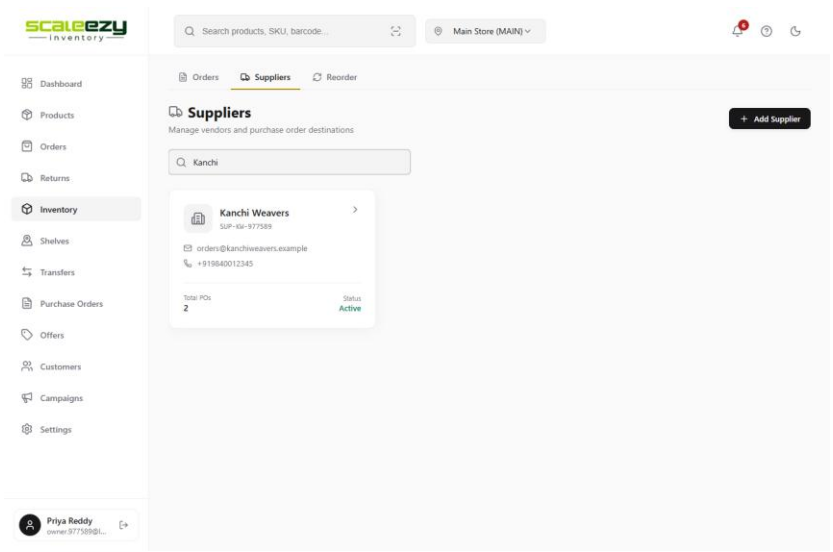

Actual:

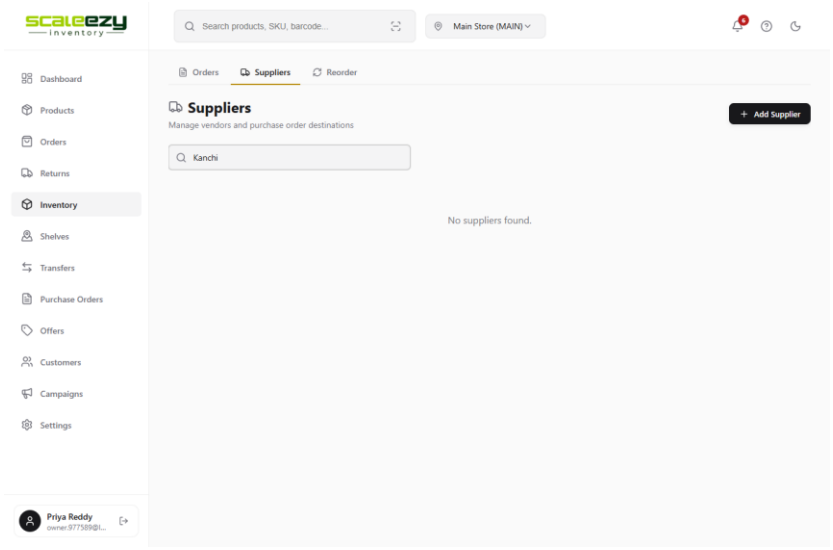

BUG-02 - Supplier search does not find supplier by name

Module	Suppliers
Severity	Minor
Priority	Medium
Status	Open
Steps	1. Go to Purchase Orders > Suppliers. 2. Type Kanchi in the search box.
Expected Result	Kanchi Weavers is shown.
Actual Result	"No suppliers found." Search by supplier code still works.
File / Line	src/pages/Suppliers.jsx : 25
Root Cause	Supplier name is not converted to lower case: (s.name || '').includes(searchTerm.toLowerCase())

Expected:

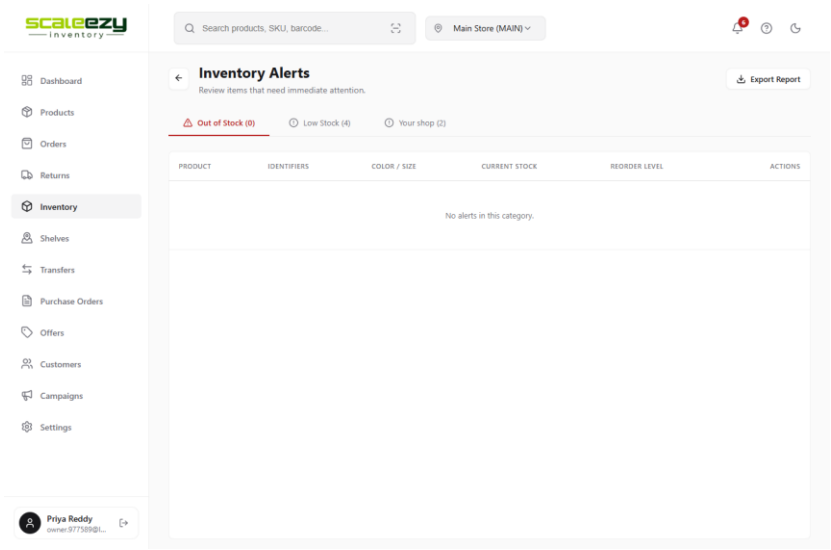

Actual:

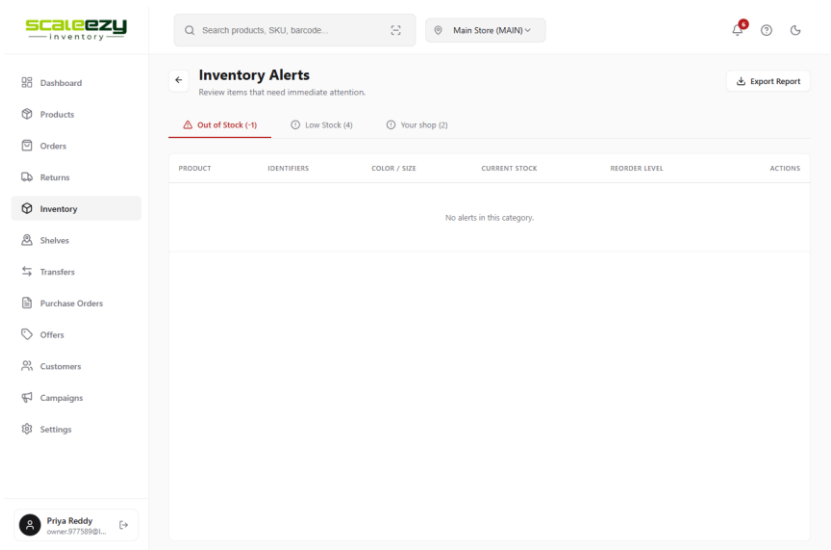

BUG-03 - Out of Stock tab shows -1

Module	Stock Alerts
Severity	Minor
Priority	Low
Status	Open
Steps	1. Go to Inventory > Stock alerts. 2. Check the Out of Stock tab count.
Expected Result	Out of Stock (0)
Actual Result	Out of Stock (-1). Count is always one less than the rows.
File / Line	src/pages/AlertCenter.jsx : 96
Root Cause	Count is shown as outOfStock.length - 1

Expected:

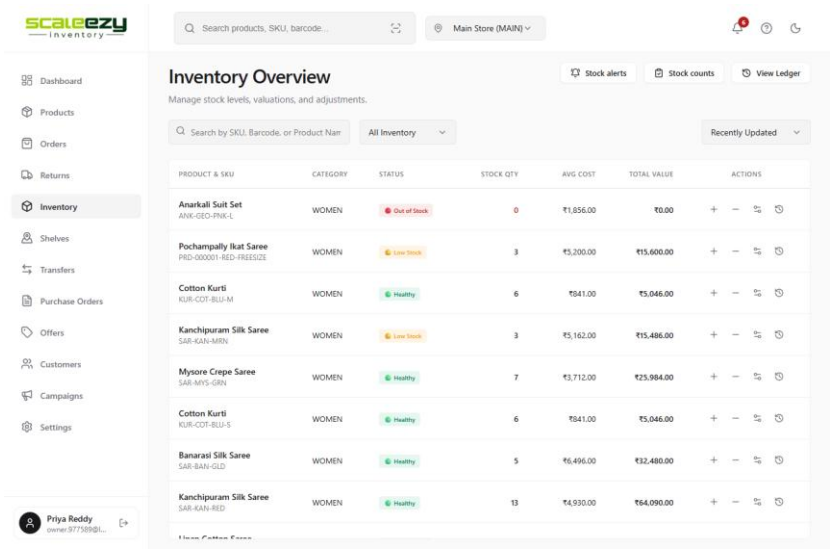

Actual:

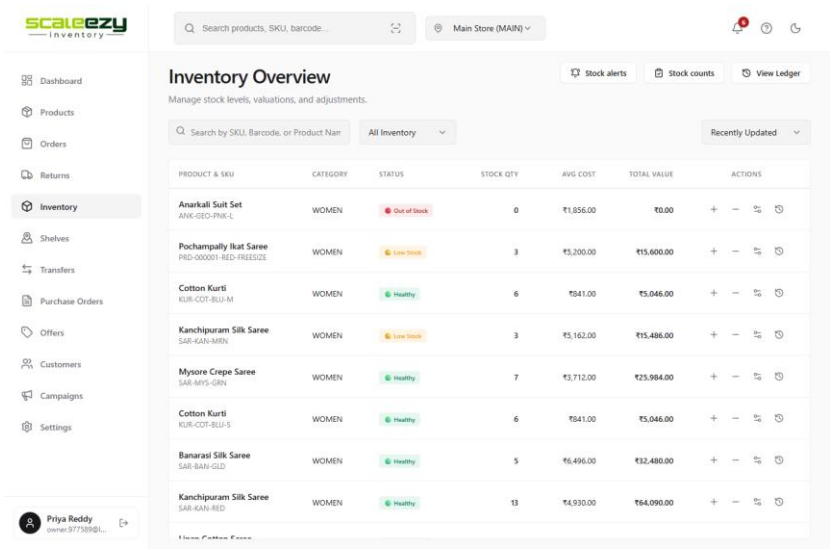

BUG-04 - Zero stock is not shown in red

Module	Inventory
Severity	Minor
Priority	Low
Status	Open
Steps	1. Go to Inventory. 2. Check Stock Qty of Anarkali Suit Set (Out of Stock).
Expected Result	0 is shown in red.
Actual Result	0 is shown in black, same as normal items.
File / Line	src/pages/InventoryOverview.jsx : 202
Root Cause	Condition is quantity < 0. It should be quantity <= 0.

Expected:

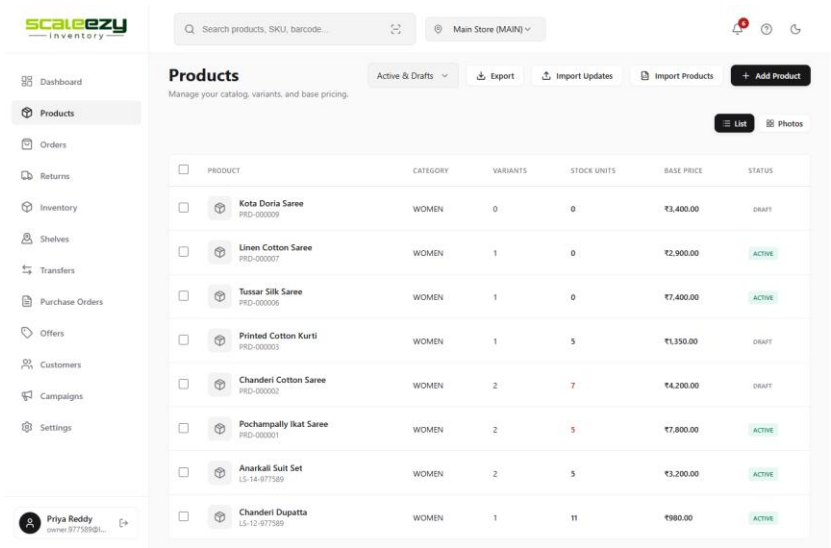

Actual:

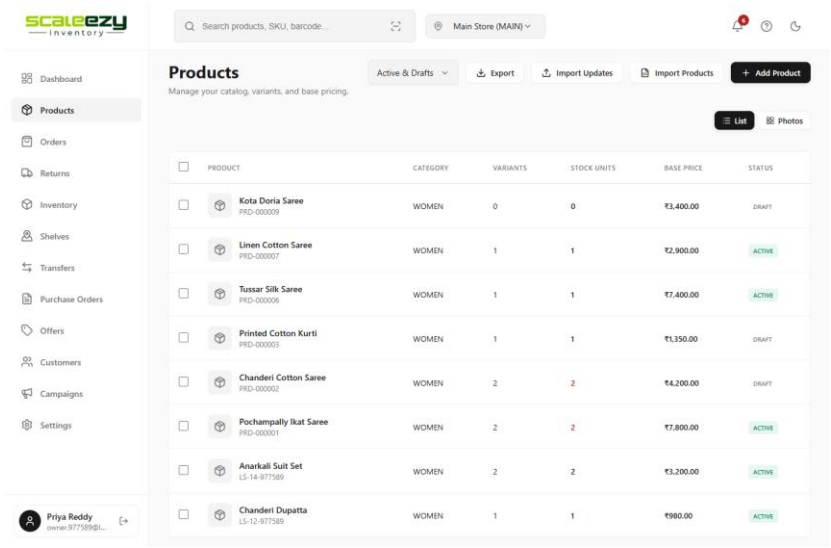

BUG-05 - Stock Units column shows variant count

Module	Products
Severity	Major
Priority	High
Status	Open
Steps	1. Go to Products. 2. Check Variants and Stock Units for Cotton Kurti.
Expected Result	Variants 4, Stock Units 28.
Actual Result	Variants 4, Stock Units 4. Out of stock items show 1 unit.
File / Line	src/pages/Products.jsx : 372
Root Cause	Column reads variantSummary.variantCount instead of variantSummary.totalUnits.

Expected:

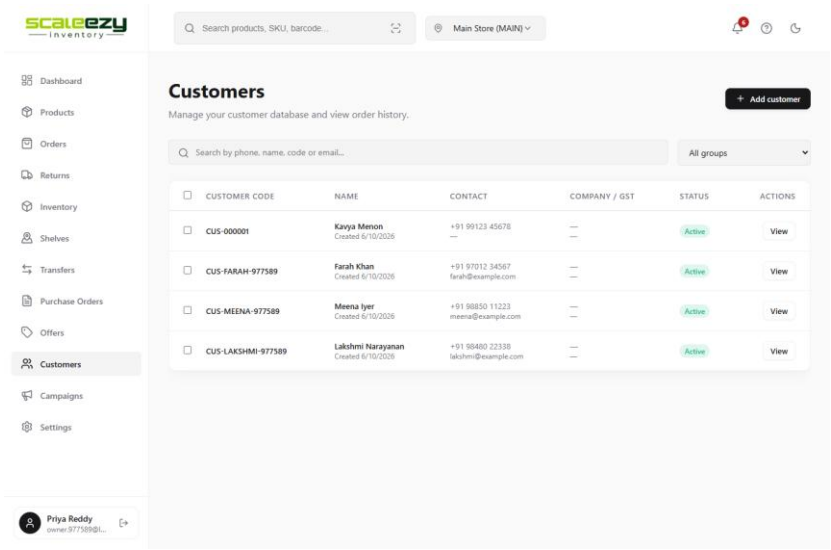

Actual:

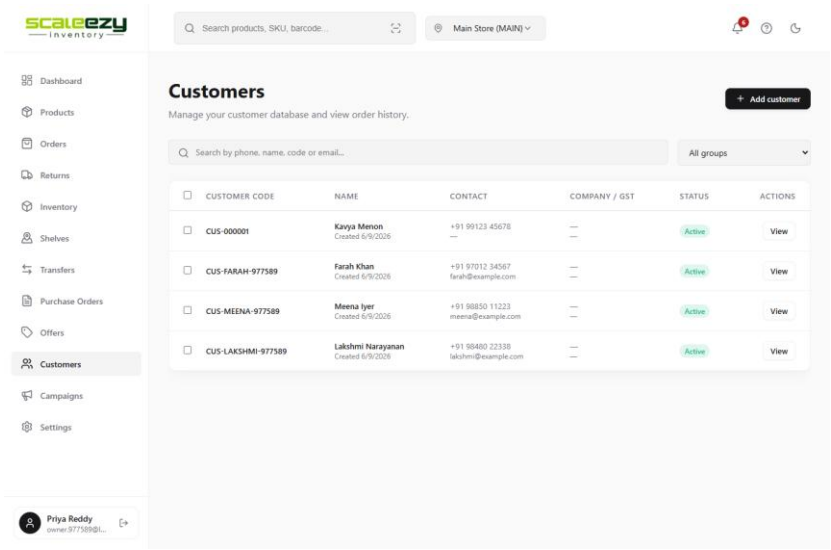

BUG-06 - Customer created date shows wrong month

Module	Customers
Severity	Minor
Priority	Medium
Status	Open
Steps	1. Go to Customers. 2. Check the Created date under any customer (created on 6 Oct 2026).
Expected Result	Created 6/10/2026
Actual Result	Created 6/9/2026
File / Line	src/pages/sales/Customers.jsx : 186
Root Cause	Date is built with getMonth(), which starts from 0. October shows as 9.

Expected:

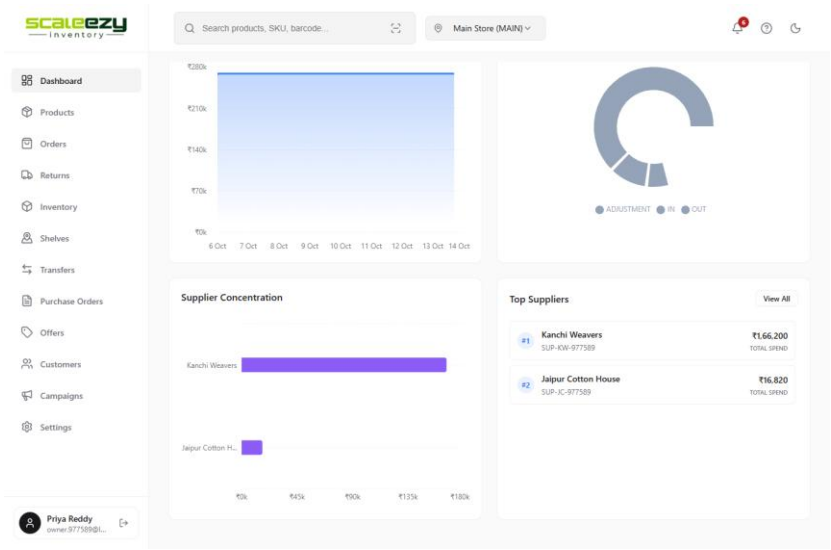

Actual:

BUG-07 - Top supplier rank starts from #0

Module	Dashboard
Severity	Minor
Priority	Low
Status	Open
Steps	1. Go to Dashboard > Analytics. 2. Check the Top Suppliers card.
Expected Result	Kanchi Weavers #1, Jaipur Cotton House #2.
Actual Result	Kanchi Weavers #0, Jaipur Cotton House #1.
File / Line	src/components/dashboard/SupplierSpendWidget.jsx : 56
Root Cause	Rank is shown as index. It should be index + 1.

Expected:

Actual:
